It was only one night, but it changed everything.

After losing his fiancée, Ben Covington is unsure he'll ever love again. But when he sees Bell Wilde, he's so deeply drawn to her, that he's thrown for a loop. Maybe it's purely sexual chemistry that's igniting this spark between them...or maybe it's his second chance at love.

Bell has just gotten her life back on track and may not be up for the challenge of Ben Covington. But once they're reunited, there's no holding back even if a secret from Bell's past just might shatter them both.
